Journey Group Questions

1. Last week, we were challenged to set spiritual, personal, family/relational, and professional goals for 2018. If you have not had a chance to share your 2017 reflections and your 2018 goals with your Journey Group, begin this week by sharing those.

2. How do our goals help to keep our focus in the right places? (spiritual, personal, relational, professional goals)

3. How do we pursue financial success without succumbing to a monopoly mindset? (Biblical stewardship, generosity lifestyle, Kingdom focus, etc.)
