Permission Slip for
Bigger & Better

On Sunday, November 19th, 2017, groups of students will be involved in a scavenger hunt-type event which will take them off campus. We will not have regular Journey Groups for Middle School Ministry on this night and a meal will not be available. All students will need to have a signed copy of this permission slip in order to participate.

Bigger & Better is a game of trading one object for another and then repeating the process with the goal of finding an item bigger and better than any other. Teams of students will travel in vehicles with a pair of leaders to make trades at local businesses, with friends, or at a pre-approved Cornerstone member homes. Students will begin with one paperclip per team and attempt to return to Cornerstone with the biggest & best item. The event will begin at 6pm and groups will return to The Loading Dock by 8pm.
