Journey Group Questions

This week we are talking about legacies of discipleship. Paul and Timothy are well known for their influence on the early church. Read through 1 Thessalonians 1 and 2:13-16. Think through the following questions with your Journey Group.

1. What kind of church was this church in Thessalonica? What were some of the qualities Paul described in Chapter 1 and Chapter 2:13-16?

2. What was the result of the faith this church had? (1:3)

3. As Paul writes to encourage them, which state in the discipleship process is the church? Are they the disciple-maker or the disciple?

4. What kind of legacy had Paul, Timothy, and Silvanus built in Thessalonica? What evidence do you see of this?

5. How was this church an example to other believers? How might you learn from their example?

6. What kind of example is your faith for others? Think about what your faith looks like to your friends, classmates, teachers, coaches, and family. Does your faith come across as real and important or something that doesn't really matter to you? What are some ways you can better show your faith to others?
