Journey Group Questions**

1. Often, we will only think about “What does this passage say and how should I respond?”. The 7 Arrows are a helpful, visual aid for studying God’s Word. Talk through each question with your Journey Group to see the benefit of asking each question as you read Scripture.

2. Read Hebrews 4:12. Although the Bible is “living and active”, it was written first to people who lived hundreds and thousands of years ago. How can you better understand the original audience when you read Scripture (see Arrow 2)? How can this help us not to get the wrong idea when we get to a verse like 1 Thessalonians 5:26?

3. When we read the Bible, we need to be careful to study it well. Read 2 Timothy 2:15. AWANA stands for Approved Workmen Are Not Ashamed which comes from this verse. At Cornerstone, we want everyone to learn how to study God’s Word and know how to apply it in our life. This is

why we have AWANA programs and why we continue to study God’s word while becoming better students for the rest of our lives. What are some of the resources available to help you when you struggle to answer one of the “7 Arrows” questions?

4. Use the 7 Arrows to work through 1 Thessalonians 4:1-12 as a group. Discuss what you learn and how you may apply it in your life.
