August 22, 2018

1. Godly friendship offers encouragement.
2. Godly friendship offers safety.
3. Godly friendship offers strength.

3. How can your Journey Group pray for you as you get back into school?

Journey Group Questions

1. Who are the friends in your life that encourage you toward living for Jesus? Are you encouraging them to do the same?

2. How can being a dedicated member of a Journey Group give you strength and safety this year?

4. Take some time to think about who you can invite to join our student ministry that does not have a group of godly friends.
