

**Bronze Snake | Numbers 21:4-9 & John 3:13-18**  
**October 24, 2018**

1. God used judgment to lead Israel to faith and repentance.

2. Moses created an image of the curse and the means of a cure.

**Shadow:** Moses raised up the image of the bronze snake so that whoever looked to it, in faith, might be saved from judgment.

**Solution:** Jesus was raised up, as the perfect image of God and man, so that whoever looks to Him, in faith, might be saved from judgment.

3. We must show faith in Jesus as the cure for our curse of sin and death.
